BUFFALOLOWDOWN

We hope you've been charging through your storms and that your summer has been full of sun and success!

Between a freshly renovated office space, a new [website](#), new team members, AND new programs...there's a lot we were excited to share with this newsletter.

If it's been a while since we've worked together, we'd love to reconnect at one of our upcoming events or for an episode of the Into The Storm Leaders [podcast](#) - Season 2!

Meet CultureShoc's new Fractional Integrator, Joe Haddad!

With a Personal Mission Statement of "Develop People & Change Lives", Joe has invested 20+ years of his career leading organizations (for-profit and non-profit) that value the same thing.

As a Business Owner, Entrepreneur, Leader & Integrator, Joe has worn many hats, and his aim is to help people learn and grow.

Client Shout Out: Aurigo Software

We had the honor of partnering with Aurigo Software to kick off our Into The Storm Leaders program in Austin, Texas earlier this month! Having served as their EOS Implementer for the past few years, we now strengthen this partnership by growing their 2nd layer of leadership from around the globe.

Client Shout Out: City Mission

We've had the pleasure of working with City Mission on multiple projects over the years and were proud to see this Smart Business article from their CEO, Linda Uveges, regarding EOS Implementation for non-profits.

Their Vision is to be a catalyst for positive change in Cleveland resulting in the radical transformation of individuals and communities for generations to come.
